FOOD FOR THE WEEK

Exodus 34.4b-6, 8-9

Reading I Glory and praise for ever!

Responsorial Psalm 2 Corinthians 13.11-13

Reading II John 3.16-18

Gospel They looked down from heaven – the Father, Son, and Holy Spirit – with love for her people for all of us. They could see men and women of all races, colours, ages, faiths. They could see their holiness and their sin. They knew help was needed for the human race and they waited a long time before the time was right.

Prayer inserts us into our true space of belonging – into the community of the Trinity – and in that prayer we are called to bring this divine help to the human race.

ORDINARY TIME

The Church's year is made up of two high seasons (**Lent-Easter** and **Advent-Christmas**) and two blocks of what, in Church language, is called **Ordinary Time**. It is most noticeable in the changed décor of the church. The Easter banners have gone and on most Sundays the priest wears green vestments. Some of the music which is integral to the Mass also tends to be different. We will be in that mode for a good stretch of time, basically until the Advent season begins.

In his apostolic letter approving the Roman calendar (14 February 1969), Pope Paul VI noted some important facts about the liturgical year:

- Over many centuries, Catholics had become accustomed to so many special religious devotions that the mysteries of redemption lost their proper place. This was due to the large number of vigils, holydays and octaves, and to the growing dominance of various seasons over the Church year;
- St. Pius X and Pope John XXIII restored Sunday to its former dignity, so that everyone should once more consider it as the Church's original feast day;
- The Popes restated the traditional teaching of the Church: The celebration of the liturgical year has a special sacramental power and force which nourishes and strengthens the life of Christians. The Church year is not merely a recalling of the historical events by which Christ won our salvation;
- The reason for the restoration of the liturgical year is to help believers through their faith, hope and love to share more fully in the entire mystery of Christ as it is unfolding throughout the year.

OUR LADY OF KNOCK SHRINE 57TH PILGRIMAGE

HEALTH COOP NEWS

Last autumn, a group of concerned citizens from the Buckingham sector reacted to the problems facing residents with regards to the access to basic health care services. Doctors departed, a clinic closed and there was awareness that other doctors would be taking their retirement thus leading to a realization that an even greater lack of health services in our area was a strong possibility. These concerned citizens formed a provisional committee who set a goal of proposing an alternative to the population.

Strong support was given by the community; 90% of the 1,100 citizens who responded to the survey carried out by the committee declared they would become a member if a health cooperative was created. With this support, the provisional committee mandated the Coopérative de développement régionale Outaouais-Laurentides (CDR-OL) to undertake a feasibility study that would analyze various scenarios for creating a health cooperative that would serve the area of the Basse-Lièvre.

The provisional committee invites the population to an information meeting that will be held on **June 22nd 2011 at 7:00 pm in the Desjardins Hall of the Carrefour culturel l'Estacade located in the Hormidas-Gamelin High School located at 580 MacLaren East in the Buckingham sector of Gatineau.** During this meeting, the provisional committee will present an overview of the situation facing the basic health care services in our area, the recommended scenario from the feasibility study to create a health cooperative and the subsequent steps for this community project. This meeting will set the path to enable the population to take charge and define the basic health care services on the territory of the Basse-Lièvre. All citizens are invited to participate.

COMMEMORATIVE TREES

The St-Grégoire de Nazianze Cemetery is launching a commemorative tree planting campaign. This is how it will work. Families or individuals interested in purchasing a tree can do so for \$75. The \$75 includes a tree accompanied by a plaque for which the family can remember loved ones or a loved one. Officials will do everything possible to locate the tree as close to the family plot as possible. In some instances, it may not be possible to locate a tree close to a monument, so the cemetery officials would be open to negotiate a suitable location. For further information, interested parties can contact Christiane Lefebvre at 819-986-8585. Christiane is bilingual and her office hours are from noon to 4:30 p.m. The tree being offered for sale is a red maple.

GENEROUS DONATION

A special thank you to Bob Hodgson for a donation of \$300, to Bill Raby for his donation of \$200 and also to an anonymous donor for the amount of \$200, all of which was donated towards the cost of the excellent prime rib served at the Spring Supper.

HARVEST SUPPER

Our annual Harvest Supper will be held on Friday, October 21st 2011. The supper is a joint effort of our two parishes and is always a very successful evening. More news to follow later.

PARKING ON CHARLES STREET

Now that the fire department has moved to its new location, we have contacted our Councillor to see if the no parking signs in front of the old Town Hall can be removed. This would help alleviate the parking problems we have on Sundays and funerals.

OLV IS STILL SEARCHING FOR MASS SERVERS

In reply to our request, we are pleased to mention that **Michelle Girard** has volunteered to be a mass server. However, if anyone else is interested, please contact Monique Simpson at 819-986-3166 or call the Church Office.

These bags are cut into strips and put together to make sleeping mats for the people of Haiti – they are used as packing material to ship products and therefore there is no cost to ship the mats to Haiti. Insects and poisonous spiders do not like the plastic and will not hide in the mat. It takes 300 to 500 bags to make one mat. If you are interested in helping out, please leave the bags at the entrance of the Church for pick up.</p> |

ARE YOU NEW TO OUR PARISH?

Welcome to all who want to make their faith home here! You may have come from other places. You may have been “away for a while”. Be assured that we love to have you among us. We would appreciate it very much if you identified yourself at Mass. It would also help if you would take the time to fill out a registration form. The next time you are with us, you may leave it in the collection basket or give it to one of the ushers or to the priest. Welcome.
