**Responsorial Psalm**                      Lord, from you comes my praise in the great congregation.

**Reading II**                      1 John 3.18-24

The closeness of the relationship with ourselves and Jesus is like branch and tree. One gives life to the other and draws life from the other.

A real relationship with Jesus is life-giving- it is loving, healing, and challenging. It brings life to the soul and energy to the body. The relationship itself bears fruit and brings to each of us a loving and energetic quality of life.

**FAITH IS A GIFT FROM GOD**

In today's society, the pace of life is so fast, that we hardly have time to take a second breath. Life's demands can be overwhelming with workplace tensions, parenting responsibilities, as well as many other curves today's reality can throw at us. There are many ways individuals try to address their daily pressures; self-help books, exercise, therapy and yes, unfortunately, alcohol and drugs. The need to slow down is very prevalent in today's society.

Many of us come to mass each Sunday, to worship and pray, yet do we really give a lot of thought to turning our will and our lives over to the care of God as we understand him to be. In today's day and age of cynicism and materialism, this sounds pretty corny and maybe off the wall. If left to our own resources, we may not be able to address the issues challenging us on a daily basis, but perhaps, if through prayer we seek God's help, we may find the strength and courage to address those things which are bothering us.

It may not be the best mode these days to seek God's guidance in dealing with our personal affairs but, instead, to rely on our own means and resources. But let's face it, if we truly believe scriptures and that our God is a father, then why wouldn't we petition him for help as we would our natural father.

Believing in the strength of prayer is a testimony to faith, a faith which is a precious gift from God.

## OUR LADY OF LIGHT MISSION NEWS

On March 24, 2012, members of the Fabriques of St. Malachy and OLL attended an information meeting at the Diocesan Center. Discussion of a new web site took place. Possible uses:

- Information tool for members of Fabriques i.e. Fabrique Act & Decrees & Diocesan Financial statements
- on-line contribution - for people who wish to contribute
- information on specific projects i.e. Diocesan annual golf tournament, the Golden Jubilee year, etc.

The Diocese will - translate pertinent info for English parishes

- use local newspapers to advertise, info/activities
- other papers were mentioned and we were asked to provide addresses
- Archbishop Durocher asked if anyone knew of a contact person with pull at the Citizen and to inform him

A financial working group will be formed to address the financial picture of our Diocese. This committee will consist of members of the Diocesan Center and members of parishes with financial knowledge. Consultation will be with all parishes and a report to be completed within a year.

Archbishop Durocher gave us a little of what has been happening since his appointment:

- 50th Anniversary activities
- pastoral visits
- willing to participate at retreats (4-5 a year) but informed us may be not so available in 2014-2016
- Annual retreat for youth "Journey to the Father" in July in the Cornwall area. Contact Diocesan Center for info 810-771-8391
- meeting with government officials
- fiscal cutting
- renting spaces - meeting rooms and offices

Representatives from all English parishes participated and agreed it was beneficial.
