**READING OF THE WEEK**

**Reading I** Genesis 12.1-4  
**Responsorial Psalm** Let your love be upon us, Lord, even as we hope in you.  
**Reading II** 2 Timothy 1.8b-10  
**Gospel** Matthew 17.1-9

Transfiguration is about Jesus and about us. When we are with him, we are with the divine. When he is with us, he is with the human. His love, grace, sacraments, peace and compassion can transfigure us.

May we be present in prayer to light and brightness, allow light to invade us, and know that the light of Jesus given in baptism is never extinguished.

## A LENTEN VOYAGE

During this season of Lent we are invited to let Jesus be our guide to conquer life's mountains. Striving for the summit we deepen our relationship with Jesus by placing our trust in Him. At the summit we can gaze out and see what mountains lay ahead. Blessed with clarity of vision at the top, we can fully understand that Jesus will lead us to discoveries at those summits that will amaze and transform us.

O Christ, give us a glimpse  
Let us see you shining like the sun

Or like tonight's sliver of a moon; or like wandering geese,  
or the morning sky, or the spider's web.

In workers, coffee growers, crossing guards,  
and in all homeless people.

Let no person or place ever be hidden  
from the glow of your earthly Godly presence.

Let us find your glory in all things

By Anne M. Osdieck.

**Development and Peace's Share Lent** campaign is now underway! This year, *Development and Peace* has joined Caritas Internationalis' global campaign **One Human Family, Food for All** to end hunger. Caritas is a network of Catholic development organizations worldwide, including *Development and Peace*, that are fighting poverty and injustice. At the launch of the Caritas campaign in December, Pope Francis denounced hunger as a global scandal. *Development and Peace* is working with communities in the Global South to ensure that they are able to put food on their families' tables. Help us end global hunger by contributing to the campaign on Solidarity Sunday, the fifth Sunday of Lent!

You can read about similar projects in the magazine which is inserted with this week's bulletin. You can also learn more about **Development and Peace's** work on food sovereignty in Haiti in a new documentary called *On the Road to Food Sovereignty*. Watch it at [www.devp.org/roadhaiti](http://www.devp.org/roadhaiti). Support **Development and Peace** and contribute to solutions towards ending hunger!
