FOOD FOR THOUGHT

Reading 1 Exodus 24.3-8
Responsorial Psalm I will lift up the cup of salvation, and call on the name of the Lord
Reading II Hebrews 9.11-15
Gospel Mark 14.12-16, 22-26

At this Passover meal, Jesus broke the bread and poured the wine which would be forever the action of His love among us. As He ate the Passover with the disciples, so now we eat and drink with Him the sacramental sign of His presence and His love among us.

Faith nourished in prayer leads us to the Eucharist, the sign of unity and of mission in His people.

MONTHLY PRAYER INTENTIONS FROM THE ARCHBISHOP - JUNE

“That political responsibility be exercised at all levels of government as a high form of charity.”

Reflection on Social Issues: Politics in Quebec and Canada does not always enjoy a good reputation. It is distrusted and ridiculed by many. Yet political activity is noble in that it serves society and the common good. Quebec MPP Martine Ouellette writes in her book: “I understood early on in my career as a political militant that my commitment was a formidable one, a powerful way to change things, to promote the common good and foster social and economic development for people.¹” As Christians, how do we define ourselves in regards to the public square and political activity?

Our Faith Response: In the New Testament, Jesus invites us to build the Kingdom of God. The first believers had to set up communities of believers. These continued to play a spiritual and political role in society. Christians are called to experience a political reflection based on love of neighbour, the common good and a preferential option for the poor. We are invited, through our ecclesial, social and community commitments to let Christian principles inform all of our decisions. How do we apply Christian principles to our decisions?

Sunday 7 June 2015: June 5th was World Environment Day. I will take some time this week to examine my relationship with the environment.
