FOOD FOR THOUGHT

First Reading: **Deuteronomy 6.2-6**
Psalm: **I love you, O Lord, my strength**
Second Reading: **Hebrews 7.23-28**
Gospel: **Mark 12.28-34**

In today's Gospel we are privy to a conversation Jesus had with a Pharisee, among the debaters whose agenda is to trap Jesus. The Pharisee revealed his knowledge of the first commandment where Jesus affirms the man's faith. This declaration established the boundaries of the kingdom of God.

Our commitment to the Lord is in response to the amazing love he has shown us.

NOVEMBER – MONTH OF REMEMBRANCE

November brings many opportunities to pause, reflect and pray. On Nov 1 and 2, we celebrate All Saints Day and All Souls Day – which, traditionally, invite us to reflect on our place in the larger reality of life and death, and to give hope in the eternal life with God.

Dear God,

We thank you for the wonderful memories we have of our departed loved ones.

We are grateful when these memories bring us happiness and comfort.

Help us to continue to keep the memories of our loved ones alive

by living out the gifts and virtues we treasured so much in their lives.

May our remembrance of them in this way help their spirit to live on in us,

and may the virtues contribute to building your kingdom here on earth.

Amen.

**Let's put *People and Planet First* with
Development and Peace — Caritas Canada's new campaign!**

In Canada, most people can speak out freely when injustice is committed. In many countries of the Global South, however, communities are threatened when they seek to protect their rights, especially their right to a healthy environment. This climate of insecurity is often fuelled by the presence and influence of corporations, some of which are Canadian.

Undaunted, many vulnerable communities fight courageously to defend their rights, their lands and the environment against corporate harm.

This year, Development and Peace's ***People and Planet First*** campaign invites you to stand in solidarity with them and celebrate their work!

The campaign is inspired by the words of Pope Francis, who says that “a true ecological approach *always* becomes a social approach; it must integrate questions of justice in debates on the environment, so as to hear *both the cry of the earth and the cry of the poor*” (*Laudato Si'*, 49). These cries are too often silenced by powerful companies that plunder resources in countries of the Global South, without regard for people's fundamental human and environmental rights. Many such companies are Canadian.
