COMMUNITY NOTES

Local Food Bank: The food bank has moved temporarily to the vacated Deguire store on Buckingham avenue, while upgrades are being done to the site at 129 Joseph Street.

A short prayer for a safe journey to all our travellers

“Lord, be our guide and our protector on the journey we are about to take.
Watch over us. Protect us from accidents. Keep us free from harm to body and soul.

Lord, support us with Your grace when we are tired.

Help us be patient in any trouble which may come our way.

Keep us always mindful of Your presence and love.

Amen.“

STO on demand

“Good news! **STO on demand** is extended for a second year! I could not be more delighted that this flexible service has been extended! **STO on demand** was designed and developed to meet the needs identified by our community. By improving the quality of local mobility in our sectors, we make it easier for people to get to work, access local services and support our merchants, we encourage people to buy local, and we help revitalize our neighbourhoods and promote social integration.”

Mr. Edmond Leclerc, Buckingham district Municipal Councillor
and member of the STO Board of Directors

STO on demand, as the name suggests, is a personalized public transportation service offered on demand. The purpose of this service is to complement the conventional bus service in the Buckingham and Masson-Angers sectors in order to better meet your local transportation needs within those sectors. You asked us for more transportation options, so we came up with one just for you.

For more detailed information, access the STO website as follows: <http://sto.ca>
