This is a message received from Carl Hétu, Executive Director of **Development and Peace, Caritas Canada**, September 18th 2025:

Since it began its attacks, Israel has allowed food into Gaza only intermittently. This has caused a full-blown famine, that is spreading across the Strip. Over 2 million Gazans now live in constant fear, not knowing when they will eat! Cardinal Pierbattista Pizzaballa, the Latin Patriarch of Jerusalem, has called humanitarian aid in Gaza “a matter of life and death.”

Through it all, our partner [Caritas Jerusalem](http://www.caritasjr.org) - www.caritasjr.org, the official humanitarian arm of the Catholic Church in the Holy Land, has remained a beacon of hope for the people of Gaza. Over 125 of its staff are braving starvation and risking life and limb to reach and serve the people.

I invite you to make a donation to support Caritas Jerusalem so that it can continue providing lifesaving aid, including food, water, sanitation and hygiene supplies; psychosocial support; and health care.

Thank you for bringing the light of Christ to the darkest places in the Holy Land.
