Presently there is a vacancy that needs to be filled and parishioners are invited to find out more about this rewarding experience. "The Fabrique for Beginners" can be found at the back of the church – feel free to take a copy.

EASTER MESSAGE FROM THE ARCHBISHOP PAUL-ANDRE DUROCHER

Our world is a strange mixture of beauty and ugliness, brotherhood and brutality, generosity and indifference. These days, the balance seems to be tipping towards the negative, with its violence and wars, the rise of dictatorships and oppressive regimes, and the growing gulf between the vast majority of the poor and a small circle of billionaires. Still, stars shine the brightest when the night is deep and dark.

One light transcends all others: the one that shines forth from the empty tomb, announcing the resurrection of Christ and heralding the resurrection of our world. Yes, Easter proclaims that a renewed world is being born. This is not the time to let the light of the fragile stars that we are waver. Together, let us sow his light despite the darkness that assails us. May this festive season be a time of hope and renewed commitment to following Christ.

Happy Easter!
