

Message to all 2012 OLV Confirmation Candidates

Our team is registered for **THINKfast 2012** where youth across Canada raise funds and awareness to support the work of [Development and Peace](#) partners in the Global South.

It's a fun way for us to learn more about global issues and explore what causes injustice in our world.

[Development and Peace](#) works with partners who focus on issues including peace-building, human rights, agrarian reform, education, and community development in Africa, Asia, Latin America and the Middle East.
